B. To be completed by the department :

1. Please provide a summary of the purpose of this legislation (Justification Statement).

The purpose of this legislation is to install an all-way stop at the intersection of Park Avenue, S.E. & Robinson Avenue.

2. Please provide background information regarding this legislation.

This is a "plus" intersection. Park Avenue is the major street, the street without stop signs, and Robinson Avenue is the minor street, the street with stop signs. An analysis of this intersection found that sight distance was limited and the volume on the minor street was high in comparison to the volume on the major street; therefore, an all-way stop sign is warranted at this location.
